

JALE

Journal of Applied Linguistics & English

ISSN :

Vol: No: (2018)

JALE- The Journal of Applied Linguistics & English which is online and printed, peer-reviewed, scholarly journal, published by **Tuncay Publishing**. The journal encourages submission in not limited to subjects of applied linguistics. In addition to the broad area of language research, the creative approaches to English language learning and teaching are also involved. **The Journal of Applied Linguistics & English** also provides the opportunities for sharing the resources among members of the academic community.

The Journal of Applied Linguistics & English is a professional, double blind peer-reviewed international journal that aims to involve scholars in the field both in Turkey and around the World. The journal provides a platform for different theoretical, practical and thematic approaches to applied linguistics, translation studies and English language teaching/learning nationally and internationally.
